

Dear Friends of Monmouth College,

Greetings! As we approach the upcoming holiday season, we are pleased to once again offer you the Monmouth College ornament to help benefit Alternative Spring Break. In addition to the ornaments, we are also offering the wonderful Scots Card, which features many Monmouth area discounts. The selling of these items has become ASB's major fundraiser and we are hopeful to get increased support as we again have a large group of students participating! This year, Alternative Spring Break may be headed to the North and South Carolinas to participate in a number of different service opportunities including Habitat for Humanity, food banks, and others.

This year we are offering **two** ornaments so that your collections will be continuous! The 2008 Holiday Ornament is a custom printed metal disc with a gold finish the **Haldeman-Thiessen Science Center**, built in 1970 in loving memory of Chemistry professors, Garrett W. Thiessen and William S. Haldeman. We are also offering a 2008 Holiday Ornament featuring the beloved **Scotsman**. No college would be complete without a symbol, and Monmouth College is no exception! In celebration of the season and of Monmouth College, we would like to offer some previous years' ornaments in addition to this year's selection. Please see the order form below for available ornaments, as well as the back of the sheet for the new ornament designs (quantities are limited). The order forms are also available online at <http://www.monm.edu/pdf/asb-ornaments.pdf>.

As a result of the continued success of the Scots Card, they will be offered to students again this year. The Scots Card offers many discounts for area businesses, including haircuts, food, MC collectables, bowling, videos and more. As a bonus, these cards are now good for a whole year, through December of 2009! The Monmouth College Holiday Ornament and Scots Card make great stocking stuffers and are a gift any Monmouth College student, parent, or alumnus would be delighted to receive. Start your ornament collection today!

If you would like to support the Alternative Spring Break program through the purchase of any of these items, please complete the order form below and return it with a check made payable to Monmouth College Alternative Spring Break. Orders received before December 1<sup>st</sup> will be shipped in time for Christmas, however orders will be accepted after that date as well. Thank your support and have a wonderful holiday season!

Best wishes,  
Jayme Ayers & Molly Stewart  
2009 Alternative Spring Break Co-Leaders
